

DEREK COLLECTION | S650, L650, 6N5_

The Derek reclining collection is highly regarded as one of the most comfortable recliners in the Best Home Furnishings line; if not the world.

The exclusive Comfort Sync reclining mechanism delivers the ultimate combination of performance, comfort and long term-dependability.

And with the innovative Space Save® feature, you can lay back flatter and farther without taking up extra space.

Opt to upgrade to Power Recline or Power Tilt Headrest featuring our exclusive Comfort Dial with USB ports.

As a bonus, you'll find zipper access in the back allowing you to adjust cushioning comfort level. The seat and chaise pad feature a cooling cushioning material called Performa Weave, tested to be more durable than standard foam chaise lounges.
